ieso2017@geoazur.unice.fr

Organization Committee ...

The organizing committee, chaired by Thierry Lanz, director of the Côte d'Azur Observatory and vice president of the University Côte d'azur began its work.

This committee is responsible for designing the tests and planning the Olympiad's schedule.

The committee meets about twenty people (high school teachers, researchers ...).

The first workshop was held in Géoazur, a geoscience research center in Sophia Antipolis.

SKYTEAM globalmeeting ...

Official Alliance is partner to IESO 2017.

Travel with Skyteam to attend the Olympiad next year.

 YOUR PREFERRED
 ALLIANCE FOR TRAVEL,
 OFFICIAL PARTNER OF
 IESO2017**

Discover the CIV ?!

CIV means ... Campus International of Valbonne.

It is the place where all the teams will be welcomed during the IESO. The campus is located in Sophia Antipolis, a very specific area for research, electronic and technology development in Southern France.

Discover the place : www.civfrance.com
