UCA ... the IESO 2017 project leader

University of Côte d'Azur (UCA) is the association of universities and higher education institutions in Southern France.

The University of the Côte d'Azur is one of 12 colleges that have been selected in a Call for Expression of Interest from the Ministry of Higher Education and Research.

UCA is proud to welcome the XIth IESO in France

NEWS !... ExoMars, born in France !

ExoMars (Exobiology on Mars) mission will search for biosignatures of Martian life, past or present, using several spacecraft elements. The ExoMars Trace Gas Orbiter (TGO) and the test stationary lander called *Schiaparelli* were launched on 14 March 2016. The TGO has delivered the *Schiaparelli* lander on 19 October 2016. The TGO was made in Cannes, by Thales Alenia Space. The orbiter, as well as elements of *Schiaparelli* module, was assembled for European Space Agency and Russian Space agency Roscosmos.

Become partner for IESO 2017 ...

Thanks to our first partners :
European Geosciences Union (EGU),
International Ocean Discovery Program (IODP),
National Center Space Studies (CNES), Thales Alenia Space, Conseil Départemental 06, Alliance Française Nice, Communauté Agglomération Sophia Antipolis

Join us to prepare the Olympiad 2017 in France

Parlez vous français (do you speak French) ?!

Before attending IESO 2017, learn some usefull words in French !

Every day begins in France with breakfast :

Bonjour, un petit déjeuner avec des **croissants**, un **café** et le **journal** ... s'il vous plait !

Good morning, a nice breakfast with '**croissants**', **coffee** and **today's newspaper** ... please !
