This is already the end of January. It was time to bring together our Erasmus Bachelor and Master students who were in mobility for the first semester to say goodbye.

Around several friendly meetings, we had the pleasure to share stories around this beautiful experience. The Erasmus+ ICM 2018 programme was a great success for everyone. Studies, new friendships, culture, and many other stories have punctuated these meetings around a pot of friendship, and celebrated with broad smiles.

Dear students from Sichuan, Ibn Zohr, Podgorica, Pristina, we wish you all the best.
