PERSPECTIVES OF DEVELOPMENT AND INNOVATION

Based on A5 community strengths, after more than 70 projects funded in 2 years, **our goals** are :

ENCOURAGE Innovative research by co-funding Ph.Ds and post-docs with Graduate Schools or other academies
CFP Thesis EUR HEALTHY /A5

INITIATE Transdisciplinary and **impact-oriented** research groups for more ambitious projects, open to international partnerships and collaboration with socio-economic stakeholders
CFP Consortium

MOBILIZE Our research community towards **open science and digital humanities** through an adapting project follow-up approach

SUPPORT Our community to improve the **dissemination of research results** to a wider audience
Revision of our communication strategy (podcasts, videos, social media)

STRENGTHEN Inter-academy communication and collaboration
