

Call for PhD Project

Thesis in Health

Academy 4 "Complexity and Diversity of Living Systems" and EUR HEALTHY

Year 2021

EUR HEALTHY - Ecosystems of Health Science Graduate School wishes to promote the development of innovative research projects within its scope (<https://healthy.univ-cotedazur.fr/recherche/thematiques-et-projets-de-recherche-1>).

The Academy of Excellence 4 "Complexity and Diversity of Living Systems" supports the dynamics of research at Université Côte d'Azur through funding of projects in Life Sciences (<https://univ-cotedazur.fr/structures-de-recherche/academies-dexcellence/academie-4/lacademie-4>).

Academy 4 and EUR HEALTHY will co-finance in 2021 a thesis on an interdisciplinary topic in the field of health.

This call for projects aims to select a candidate whose thesis subject will be in the field of Prevention, Medicine or Dentistry.

Eligibility

The project leader must be a member of a laboratory with a primary or secondary attachment to EUR HEALTHY. The file must be signed by the director of the attached laboratory.

The project applicant will undertake to:

- ✓ display the mention and / or logos of EUR HEALTHY and Academy 4 on all communication platform.
- ✓ keep the EUR informed on the progress of the project at least twice a year. This can be simply done by email exchanges.

Evaluation criteria

The subjects will be evaluated according to the criteria below:

Demonstration of the innovative and interdisciplinary aspect

Excellence of the doctoral candidate (experience, academic background, publications)

Thesis subjects must fall within both the axes of Academy 4 and those of EUR HEALTHY, as mentioned in the introduction.

Innovative and transdisciplinary subjects will be favored, guaranteeing the sustainability of the subject with the orientation described in the introduction.

Application

The files must be **in English** with the following documents:

1. Attached form (to be downloaded from NUXEO)
2. Resume of the candidate
3. Candidate's grade from Masters (M1 and M2)
4. Candidate's statement of purpose
5. Letter from the thesis PI (s) explaining the interdisciplinarity of the subject
6. Letters of recommendation
7. Proof from the thesis director (s) guaranteeing that the thesis environment will be financially secure.

Calendar

Applications (in PDF format) must be submitted on the [NUXEO](#) platform on **May 16, 2021 before noon (12:00)**.

The files will then be evaluated by an *ad hoc* committee of the EUR and Academy 4 which will select the files for an interview of the candidates in **mid-June 2021** (date to be determined).
