### Art, science and health

Biopsychosocial determinants in orchestra musicians' health

D. Steiner, A. Maugeue & S. Colson (LAPCOS, LAMHESS)

## International congresses

Congress ARIC 2021

*Interculturality in times of crisis* (October, 26-29)

R. HANAFI (URMIS)

Congress HEPA Europe 2022

A. VUILLEMIN (LAMHESS)

# Perspectives of development and innovation

Based on A5 community strenghts,  
after more than 50 research projects funded in 2 years,  
our goals are :

## ENCOURAGE

### ENCOURAGE

Innovative research by co-funding Ph.Ds and post-docs with Graduate Schools or other academies

*CFP Thesis EUR HEALTHY /A5*

## INITIATE

### INITIATE

Transdisciplinary and **impact-oriented** research groups for more ambitious projects, open to international partnerships and collaboration with socio-economic stakeholders

*CFP Consortium*

## MOBILIZE

### MOBILIZE

Our research community towards **open science and digital humanities** through an adapting project follow-up approach

## SUPPORT

### SUPPORT

Our community to improve the **dissemination of research results** to a wider audience  
*Revision of our communication strategy (podcasts, videos, social media)*

## STRENGHTEN

### STRENGHTEN

Inter-academy communication and collaboration  
*Shared newsletter*
