# CONTEXT

## Scope

As part of its commitment to excellence and international prominence, [IdEx of Université Côte d'Azur](#) is launching the call for applications “Excellence Fellowships for Young Researchers 2024” to encourage the recruitment of young postdoctoral researchers in its laboratories.

## Who is this for?

This call will enable high-level young scientists to join a laboratory of Université Côte d'Azur for a period of 24 months, with one of the following specific objectives:

- Allowing the postdoctoral fellow to prepare an application for a permanent position on the Université Côte d'Azur's site such as a position of Associate Professor (*MCF - Maître de conférence*), a permanent researcher position (*CR - Chargé de Recherche*) in a French national research organization with one of the Université Côte d'Azur host laboratories selected as first choice of assignment.  
**and/or**
- Allowing the supervisor of the postdoctoral project and/or the fellow to submit an ERC grant application within two years of recruitment.

The call is endowed to fund 12 contracts. All disciplines and themes are eligible.

Candidates should first get in touch with a research laboratory or a group from Université Côte d'Azur (<https://univ-cotedazur.fr>). Together, the candidate and the local host should come up with an original research program and submit the application through our dedicated platform Nuxéo

# TERMS AND CONDITIONS

## Article 1 – Eligibility Criteria

- The candidate must hold a university doctorate or PhD; the thesis must have been defended before submitting the application.
- The candidate must have defended a doctoral thesis within the 4 years prior to the closing date for applications: the thesis must therefore have been **defended after April 12, 2020**.<sup>1</sup>

## Article 2 – Selection Criteria

In decreasing order of importance:

- Ability to meet the objectives of the call for applications.
- Quality of the candidate's CV (degrees, publications, caliber of the career plan).
- The scientific quality of the proposed project (importance of the topic addressed, originality and technical feasibility that takes into consideration the duration of the contract).
- Quality of the host laboratory and of the supervisor's CV (publications, scientific and technical environment, etc.).
- Suitability of the host laboratory to carry out the research project.
- Alignment of the project with the strategic programs of IdEx of Université Côte d'Azur (see list in the appendix) will be considered as a plus.

## Article 3 – Duration

The duration of the funding will be 24 months.

## Article 4 – Recruitment And Funding Conditions

- The gross monthly salary (*brut mensuel*) will be 3,520 euros.
- Additionally, an operating budget of 5,000 euros for the duration of the project will be provided.
- Funding will be awarded through a temporary contract (CDD) and the employer will be Université Côte d'Azur.
- This is a full-time research contract; additional activities (e.g., teaching activities) will not be authorized outside of Université Côte d'Azur and are subject to validation by the supervisor and IdEx.
- The fellow must reside near the host laboratory for the duration of the postdoctoral contract.
- Temporary housing will be proposed to the laureates at the University Côte d'Azur [Faculty Club](#), with the first month provided free of charge.
- The [Welcome Center](#) informs, assists and offers personalized help beforehand and throughout the laureate's stay at University Côte d'Azur.

<sup>1</sup> This maximum period of 4 years may be revised and extended in various conventionally recognized cases such as taking into account maternity leave (counted at 100%), parental leave (counted at 50%), sick leave of more than 3 months, and certain other cases which will be assessed following a substantiated request.

## Article 5 – Activity Report

At the end of the first year of funding, an activity report must be submitted to the IdEx steering committee through the point of contact of the IdEx Research Program.

## Article 6 – Publications - Presentations

The successful projects are anticipated to generate publications of significant impact. All publications resulting from the project must appropriately acknowledge the financial support of both the ANR and IdEx of Université Côte d'Azur. Additionally, the University signature should be included in the author affiliations. A copy of each publication should be deposited in the [IdEx HAL-UniCA](#) database.

Presentations at congresses, conferences, symposia should also mention this support and include the appropriate logos. The details of these mentions and visuals are provided in the [communication kit](#) of the IdEx project leaders as well as in the appendix of the contract to the bearer. If possible, the calculation codes and data used for the publications should also be made accessible in open access with a copy stored with [DATAZUR](#).

## Article 7 – Selection Committee

An ad hoc multidisciplinary selection committee will be established with the support of the Université Côte d'Azur components; it will be chaired by the IdEx Vice President.

## Article 8 – Fellowships Conditions

These individual fellowships are nominative, non-transferable, and cannot be combined with other postdoc funding. Candidates who decide to withdraw their application are kindly requested to inform their IdEx contact at Université Côte d'Azur as quickly as possible. Candidates selected for the fellowship cannot defer the beginning of their contract after January 30, 2025. In case of refusal of the fellowship offer(s), candidate(s) on the waiting list will be contacted.

## Article 9 – Changement Of Circumstances

Fellows who secure employment with another organization during the funding period are required to submit written notification to their IdEx Research Program contact. Additionally, any pertinent changes in the candidate's circumstances should be promptly communicated to the university.

## Article 10 - Application File

### Regarding the candidate:

1. A cover letter highlighting the reasons for choosing the host laboratory,
2. A complete curriculum vitae using the template provided in the appendix,
3. A list of publications,
4. 2 letters of recommendation:
  - I. A first letter of recommendation relevant to the submitted project,
  - II. A second letter from the director of the laboratory or the team that will be responsible for hosting the postdoctoral fellow.

**Note:** for publications under review or in press, attach the abstract and editor's response.

### **Regarding the research project:**

- A description of the project, 6 pages maximum, including the bibliography, explaining the feasibility and key stages of the project and its alignment with the project of the host team or laboratory.
- A half-page summary of the project outlining keywords and, when applicable, specifying one or more Sustainable Development Goals (SDGs) relevant to the research project.

### **Regarding the strategic positioning of the application:**

- A commitment letter from the candidate, pledging to apply for a permanent research position at one of Université Côte d'Azur's components within the year following recruitment. If seeking the position of CR - Chargé de recherche (Researcher) at an EPST, the candidate commits to selecting the Université Côte d'Azur host laboratory as their first choice.

AND/OR

- A commitment letter from the supervisor and/or from the candidate to submit an application within the year following recruitment for an ERC grant and explaining how the award of a postdoctoral contract will strongly support this application.

### **Regarding the host laboratory:**

- CV of the supervisor listing the main publications over the last three years and emphasizing, where applicable, the experience in supervising or co-supervising research projects.

**INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED**

### **Article 11 - Timeline Of The Call**

- **January 2024:** launch of the call for applications
- **April 12, 2024:** deadline for submission of applications
- **June 17, 2024:** notification of results
- **January 30, 2025:** deadline for taking up the position

## HOW TO APPLY

The application files must be submitted **by the supervisor** on Nuxéo, the IdEx project management platform: [Excellence Fellowships Post-doc IdEx 2024](#)

All the requested documents must be **combined in a single PDF file** named as follows: *candidateFirstName\_LastName-POSTDOCIDEX2024*.

The first recommendation letter relating to the candidate (*A letter of recommendation relevant to the submitted project*) must be sent in a separate email by the author to: [idx.recherche@univ-cotedazur.fr](mailto:idx.recherche@univ-cotedazur.fr).

Questions related to the program can be sent to the same aforementioned address.
